**Player Freeze & Coach Pick Consent Form**

Player Name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone: \_\_\_\_\_

New Team (Upcoming Year): \_\_\_\_\_

Manager (New Team): \_\_\_\_\_

League / Age: \_\_\_\_\_

If Player is from another Hot Stove team returning in the same Class, complete the following:

Old Team (Prior Year): \_\_\_\_\_

Prior Manager: \_\_\_\_\_

MANAGER PLEASE CHECK ONE:

- Freeze Player: player was on the New Team's roster in the prior season and did not indicate election to be frozen on Player Registration form. Manager may freeze all returning players.
- Coach Pick Player: player was not on New Team's roster in the prior season and will count toward Manager's limited coach picks.

This letter confirms consent of Parent and Manager to have Player selected to play on the New Team in the upcoming baseball season. Parent understands this consent will have Player's name withheld from the open draft where Player may have otherwise had opportunity to be selected by other Hot Stove teams. Manager understands this consent will guarantee Player on New Team's roster.

When coach picking a player from another Hot Stove team returning in the same Class, the Coach Pick form must also be signed by the players prior manager. Obtaining the signature of the prior manager is to provide complete disclosure of players moving from one team to the next via the coach pick process. Given such notice, the prior manager's signature shall not be unreasonably withheld.

Parent further understand they are precluded from offering similar consent to any other Hot Stove team seeking Player through the coach pick process. Said consent is a one-time opportunity and is exclusive to the first team for which consent is confirmed.
